to manage RMPs

# Center for Authoring and Updating RMPs

## Top 3 Global Pharma

### *Business Need*

- The Risk and Safety team was looking for a partner to manage the frequent updates of the company's RMPs to incorporate changes in the REMS.

### *Our Solution*

- Dedicated a team of risk and safety experts and medical writers in the United States and India to manage RMP updates across a wide portfolio of products.
- Over a period of time, the engagement expanded to authoring of new RMPs Text

### *Outcome*

Initial scope of work was to update RMP, author RMP waivers, and translate old RMP to new RMP template; within 6 months of engagement, the scope was expanded to authoring new RMPs and REMS
